

On advice the Trustees decided to change the constitution and become a Charitable Incorporated Organisation (CIO). This type of constitution protects the Trustees & has been approved by the Charity Commission. Thanks to the work of the volunteer maintenance team the new gears are working well helping to produce best quality wholemeal flour. The winter fair was very successful thanks to the work of Ted Mathews who managed to collect over £300 of donations and gifts for the winter fair. The cake bakers also need a special mention as they always produce beautiful and appetising cakes helping to boost our income throughout the season. Look forward to seeing you at the Information Evening on 15 March which will follow the Trustees AGM at the Windmill starting at 7.00pm.

The Windmill re-opens on Sunday 1 April 2-5pm and this is an opportunity to purchase wholemeal flour or just enjoy a tour. Saturday 21 April is the Coffee and Cake morning 10-12 at Westham Village Hall and this will be an opportunity to support the fund raising. The trustees look forward to welcoming you to the Harvest Festival at the Windmill in October and Carol Service in December at St Lukes Church Stone Cross.

Membership

Enclosed with this newsletter is a copy of membership forms for renewal in March. Over the years the Trust has seen a reduction in the number of members and hence income. If you know of anyone who would like to join please contact the chair so that forms can be issued. The 100 club is also another source of income and only costs £12 per year to join. Every month there are three winners

Do try and come to the National Mills weekend Saturday 12 & Sunday 13 May. This is an opportunity to taste some of the bread, scones and cakes that are made by our volunteer bakers using wholemeal flour produced by Stone Cross Windmill.

There are other events at the Windmill, the Arndale Centre and Langney Shopping Centre. Full details are available on the website www.stonecrosswindmill.co.uk.

The Windmill is open every bank holidays 2-4pm. The Windmill also provides tours and cream teas at other times for groups of visitors or talks about the history and design of the Windmill. Please contact the Chair if you require further details
