

Stone Cross Mill Trust Newsletter March 2021
Issue No 70 Charity Registration No 1172798

Dear Friends of the Windmill

Over the years the Trust has seen a marked reduction in the number of members limiting income that helps to maintain this historic building. Luckily the Trust received a substantial grant from Shepham Community Fund so that major repairs can be completed to the pathway between the café and Roundel. This work will be managed by a local building company. The Windmill suffered some damage in the December heavy winds and the Trust owe a debt of gratitude to the neighbours who were quick to inform the Trustees so that immediate remedial short term action could be taken. Unfortunately the blades on the fantail were damaged and required extensive re-building work by a specialist company. Once again Shepham Community Fund has provided a grant so that this work can be undertaken by an experienced Mill Wright. The Trust hope to open the Windmill on Sunday 4 July 2-5-pm provided the all clear has been given.

The Trust will be organising a number of fund-raising fairs at Stone Cross Memorial Hall in the confidence that this will attract new visitors helping to increase essential funds for the Windmill. Please encourage friends and neighbours to visit these fairs and help to contribute to the longevity of the Windmill.
Don't forget to renew Windmill membership and 100 club
